

LGBTQ+ Movie Recommendations

Compiled by the Outlaws Employee Resource Group

MAJOR, LINDSEY & AFRICA

From books to movies and television to live theater performances and podcasts, the stories we hear have the power to shape our viewpoint of other people and ourselves. They teach us how people live, how to interact with others, how people overcome adversities and how to love. Each of the 37 movies and television shows recommended below prominently feature LGBTQ+ characters and themes and are worth watching to learn more about the LGBTQ+ community.
